## Europe Unit website upgrade

1. The Europe Unit has launched an upgraded and restyled website. The site can be viewed at the following link: [www.europeunit.ac.uk](http://www.europeunit.ac.uk)
2. The new site has been designed to improve navigation, accessibility and usability to its users.
3. The new site also provides updated sections on the Bologna Process, detailing key priority areas identified in London Communiqué. New website sections also focus on European Union policies on education, research and structural funding. Other new features include an archive of policy papers organised by subject area, an interactive glossary linking key European HE terms to relevant pages on the website and a Frequently Asked Questions page.
4. The website will be updated regularly and will continue to keep the sector informed about European higher education policy alongside the monthly newsletter and more detailed Europe Notes.
